Creating a Healthier Louisiana

Founded in New Orleans in 1934, [Blue Cross and Blue Shield of Louisiana](#) is the oldest and largest Louisiana health insurer. Together with our subsidiaries, HMO Louisiana and Southern National Life, we cover more than 1.9 million members, providing group and individual health insurance plans, life insurance, group voluntary products and administrative services for self-funded groups. We also provide Medicare supplement and Medicare Advantage plans, and partner with Healthy Blue to offer a Medicaid managed care plan.

We are committed to our mission to improve the health and lives of Louisianians. We invest both time and money in the health and well-being of Louisiana communities by supporting more than 200 charitable organizations and volunteering thousands of hours of service. We have been recognized for the past five years as an honoree of The Civic 50, named by Points of Light as one of the 50 most community-minded companies in the United States.

Operating solely in Louisiana, Blue Cross is a nonprofit, fully taxed mutual company, owned by policyholders—not shareholders. We are an independent licensee of the [Blue Cross Blue Shield Association](#). Because we are Louisiana-owned and operated, our focus is local—on our home.
