

Burdened by cough, cold, fever, pink eye, mild stomach bugs, rashes, flu symptoms, etc.?

Skip the waiting room and get the care you need now!

Get treatment for these and other routine, nonemergency health conditions with BlueCare! You can have online medical visits 24/7 with board-certified, U.S.-trained physicians on any device with internet and a camera.

You can also use BlueCare to schedule online appointments with behavioral health providers to treat anxiety, depression, stress, grief, coping with life transitions and more.

Registration is easy!

Go to **www.BlueCareLA.com**
or download the BlueCare app.

BLUECARE

Get care from anywhere!

SCAN
AND TRY
BLUECARE
TODAY!

BLUECARE *costs less than going to the emergency room or urgent care clinic.*

Your visit cost will depend on your plan type and benefits. You can use any major credit card or health savings account or flexible savings account cards to pay for BlueCare. Your card will not be charged until you've had your online visit.

.....

BlueCare is offered through your employer-sponsored health plan. It is available to medical plan members and covered dependents.
